FALL PRO RFID INSPECTION PROGRAM

TRANSPARENCY

Detailed inspection results are documented on our web-based system.
Available to you either annually or biannually.
High-visibility tags for greater visual control.

CERTIFIED

Our inspectors are trained and certified competent.
Offers greater indication with your site inspections.
Annual colour coded tags for ease of tracking inspection status at a glance.

CONVENIENT

Inspections can be performed on site or at our facility.
Renewal reminder will be sent out to promote proactive monitoring of your inspections.
Failed items can be disposed of properly or, in some cases, set aside for training purposes.
